Thank you for contacting the Consumer Services Unit (CSU) of the Florida Department of Health. CSU is responsible for the processing of complaints against health care practitioners in Florida. We appreciate the opportunity to assist you.

I do not show any cases and/or licenses by the name Deepak Chopra. Please know that the statute of limitations for filing a complaint is six years. If you are aware that this individual is still practicing medicine in Florida without a license, please complete pages one and four of the attached form.

I am also providing the link to our Public Records Coordinator.

The mission of the Department of Health is to protect and promote the health of all residents and visitors in the state through organized state and community efforts, including cooperative agreements with counties. If you have any questions, you may call our office at (850) 245-4339 and speak to one of our agents.

Thank you,

Shondra Watson
